Dear Skipper,

Re: Change to Berthing Arrangements for Sail Peninsula Regatta, at Martha Cove Marina

This is the revised advice for berthing for the Sail Peninsula Regatta. After berthing in the reserved berths as per the Marina Berthing Map, proceed to the marina office to collect the fob for the gate during the working hours of **week days 9.00am to 5.00pm – weekends 10.00am to 4.30pm.**

After hours there is a key safe at the **M Row Gate**. This will allow you to return to the berth. Be sure to return the key to the fob safe after use.

THE KEY SAFE COMBINATION IS: 0218.

If at any stage during the Regatta the marina office is unattended, contact **Ben on 0409 888 142** or **Brook or Simon at the Sales Office**, situated in the Boardwalk Café on **1800 440 255 (Press 1 for sales).**

For additional information contact **Roy Aldrich on 0418 140 923.**

There is a 24 Hour toilet available at the Boardwalk Café.
